

Funeral Plan

It's not a topic we want to talk about, or even deal with.

But it's one that must be considered.

We've partnered with 1Life to bring you our Funeral Plan*. Cover for funeral expenses in the unfortunate event of your death, or that of your spouse or children.

It's a time when the only thing that should matter is family, and healing.

But we can help in bringing financial relief and some peace of mind.

Natural and Accidental Death benefit

- Individual cover – this covers the main member only.
- Family cover – This covers the main member and spouse, plus 1 to 5 dependents up to the age of 12.
- Death as a result of HIV/AIDS-related illnesses.
